

# STOP FAIRVIEW CREMATORIUM

## ATTENTION: RESIDENTS OF MIDDLETOWN:

Fairview Cemetery wants to Build a Two Chamber Crematorium along Oak Hill Road  
This Crematorium is planned for a RESIDENTIALLY Zoned Area. If built, it would be surrounded by neighborhoods, playing children, soccer fields, schools and a nature preserve.

This is a **TOXIC & DANGEROUS** plan for Middletown.  
It provides NO positive benefits for our town.

### This Crematorium Will Harm Our:

#### ECONOMY

Lower Property Values, Higher Taxes,  
Strain on Infrastructure

#### HEALTH

Increased Mercury and Toxins, Noxious Gases,  
Severe Health Conditions

#### QUALITY OF LIFE

Pollution, Over-Development, Trucks on Residential  
Roads. The toxic fumes from this facility would travel  
over an area of approximately 6 miles.
